

MANORWAY ACADEMY

Over the next few months, we will all be learning in a range of ways, range of different environments and at a range of different times and speeds. But, we can all stay in regular contact and still thoroughly enjoy our learning together.

I will update this page by 8pm every evening ready for you to read the next morning.

Look out for regular updates and links to alternative fun games and activities to do both indoors and out.

You will all be learning in a different way so don't panic! Just remember to:

- **Always try your best. Keep that positive attitude for learning while you are away from the classroom.**
- **Be creative where you can, particularly if you are unable to access the daily work set. Invent your own.**
- **Try to be independent in your learning as much as you can.**
- **Be the teacher and teach your family members and carers all those wonderful things we have been exploring since September. You are the expert!**
- **Always present your work so that you are proud of your achievements (use a pencil for writing and maths).**
- **Take regular breaks, get loads of fresh air when possible and drink lots of water!**
- **Talk to the adults around you if you are feeling worried or anxious about anything!**
- **Remember that I will be on Zoom from 1:30pm everyday if you have any question, suggestions or just need a chat!**
- **Have fun!**

Good Morning Sunshine class. Did you have a good weekend?

Let's start the day with a workout with Guinness world record breaker Joe Wickes. If you don't have access to a computer, then maybe you could invent your own workout wherever you are standing right now or just get out in the garden!

Music

Minibeasts are small creatures that can be found in many different environments and they play a big part in habitat biodiversity.

Andy delivers his rap about minibeasts over a funk song with syncopated electric bass and electric guitar, and trumpet calls in the chorus sections.

Listen to Andy's rap about mini beast and try and create your own rap.

Write out the lyrics for the rap, not forgetting the chorus.

What key words will you include in your rap?

Can you find any musical instruments around your home? It would be great to practise the song with someone else at home.

English

LO: To Engage in a discussion about a character in a book and to use imagination and develop ideas to write effective notes for use in later work.

I would like you to first listen to chapter 1 of Mr Stink by Davis Walliams below

https://www.youtube.com/watch?v=3mDx5BMGC_w&list=PLMM1mVy8OPK1ryUz8ZtHJrvjOm-ro7RuM&index=1

What happened to Mr Stink to make him become homeless? Please read the extract below to find out Chloe's views.

Chloe was the kind of girl who loved being alone with her thoughts. Often she would sit on her bed and make up stories about Mr Stink. Sitting on her own in her room, she would come up with all kinds of fantastical tales. Maybe Mr Stink was a heroic old sailor who had won dozens of medals for bravery, but had found it impossible to adapt to life on dry land? Or perhaps he was a world-famous opera singer who one night, upon hitting the top note in an aria at the Royal Opera House in London, lost his voice and could never sing again? Or maybe he was really a Russian secret agent who had put on an elaborate tramp disguise to spy on the people of the town?

Chloe didn't know anything about Mr Stink. But what she did know, on that day when she stopped to talk to him for the first time, was that he looked like he needed the five-pound note she was holding *much* more than she did.

He seemed lonely too, not just alone, but lonely in his soul. That made Chloe sad. She knew full well what it was like to feel lonely.

- 1. Do you think any of her ideas are good?**
- 2. Is it likely?**
- 3. Now can you write down some more likely or unlikely ideas?**

You will be writing this 'back story' later in the week, so you need to make good notes of your ideas.
