Negative Numbers

Aim: Count forwards and backwards past zero into negative numbers. Solve problems using negative numbers and give reasons for answers.

Denis the Delivery Man

Denis has 10 parcels to deliver in a block of flats. The deliveries need to be made in a certain order depending on when people are at home. The flats have floors above and below ground level. As Denis delivers the parcels, mark the floors he visits in the order that he makes the deliveries. Remember to use the negative value to mark the basement floors.

David Walliams

Who Is David Walliams?

David Walliams is a comedian, actor and children's author. He is also a judge on a television talent show and writes scripts for television. David raises money for the charity Sport Relief, which helps people worldwide.

David's Childhood

David was born on 20th August 1971 in Merton, London. He was the youngest child of Peter Williams, an **engineer**, and Kathleen Williams, a **lab technician**. From a young age he loved dressing up and his older sister Julie would often dress him up in girls' clothes.

David went to school in Surrey, where his love of dressing up continued and his love of acting began. He was also on the school swimming team. Aged 11, he performed in his first school play wearing a dress and made the audience laugh. This was the moment he realised that what he wanted to do with his life was entertain people.

David the Actor

After studying drama at the University of Bristol, David changed his surname from Williams to Walliams because there was already an actor called David Williams! David finally got his "big break", co-writing and co-starring in a television show.

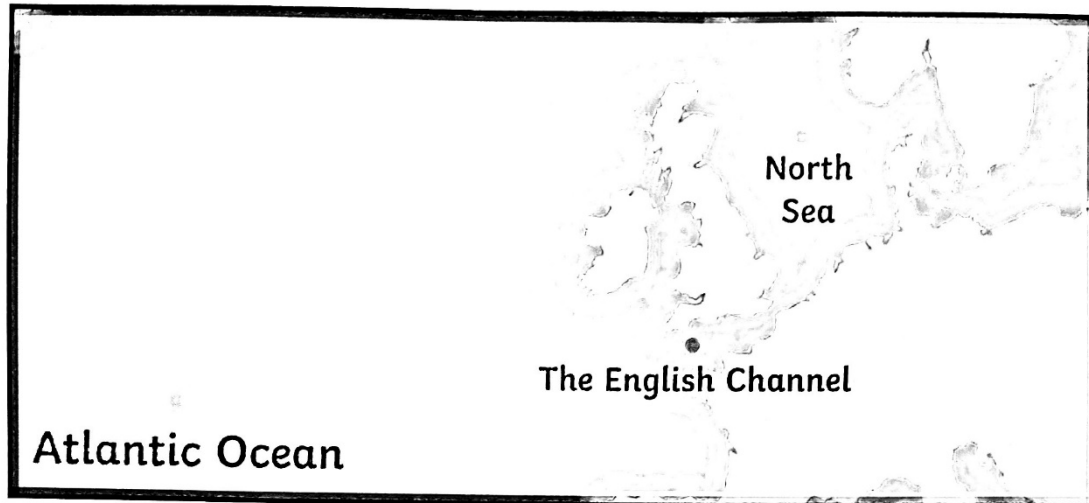

David the Author

David had a successful television career but he decided to try something new. He wanted to write a book with the message that it's OK to be different. In 2008, he published 'The Boy in the Dress' about a boy who loves football and wearing dresses. The book sold over half a million copies.

David has now written twelve chapter books for children and six picture books for younger readers, which have sold over eight million copies worldwide. His most famous books include 'Mr Stink', 'Billionaire Boy', 'Gangsta Granny' and 'Ratburger'. He often works with the illustrator Quentin Blake, who also

illustrated Roald Dahl's books. Many of David's books have now been filmed for television and he sometimes appears in these films as an actor!

Amazing Charity Work

David has raised a lot of money for charity through swimming. In July 2006, David swam the **English Channel** to raise money for Sport Relief. He swam 22 miles, the same distance as 700 lengths of an Olympic-sized swimming pool! He raised over one million pounds.

In September 2011, David swam the length of the river Thames (140 miles) and raised more than two million pounds for Sport Relief.

In 2017, he was awarded an **OBE** for his work in charity and the arts.
