

Over the next few months, we will all be learning in a range of ways, range of different environments and at a range of different times and speeds. But, we can all stay in regular contact and still thoroughly enjoy our learning together.

I will update this page every evening ready for you to read the next morning.

Look out for regular updates and links to alternative fun games and activities to do both indoors and out.

You will all be learning in a different way so don't panic! Just remember to:

- **Always try your best. Keep that positive attitude for learning while you are away from the classroom.**
- **Be creative where you can, particularly if you are unable to access the daily work set. Invent your own.**
- **Try to be independent in your learning as much as you can.**
- **Be the teacher and teach your family members and carers all those wonderful things we have been exploring since September. You are the expert!**
- **Always present your work so that you are proud of your achievements (use a pencil for writing and maths).**
- **Take regular breaks, gets loads of fresh air when possible and drink lots of water!**
- **Talk to the adults around you if you are feeling worried or anxious about anything!**
- **Remember that I will be on Zoom from 1:30pm everyday if you have any question, suggestions or just need a chat!**
- **Have fun!**

Friday 26th June 2020

Good Morning Sunshine class.

You may like to start the day with a wake-up workout with Joe Wickes. If you don't have access to a computer, then maybe you could invent your own workout wherever you are standing right now or just get out in the garden!

Phonics/SPAGS

First thing today we are going to practice our spelling, so we need to log onto reading eggs and follow the instructions below. There will be questions to complete.

Click on Eggspress

Click on Library

Click on a category,
find a book to read
and answer the
questions.

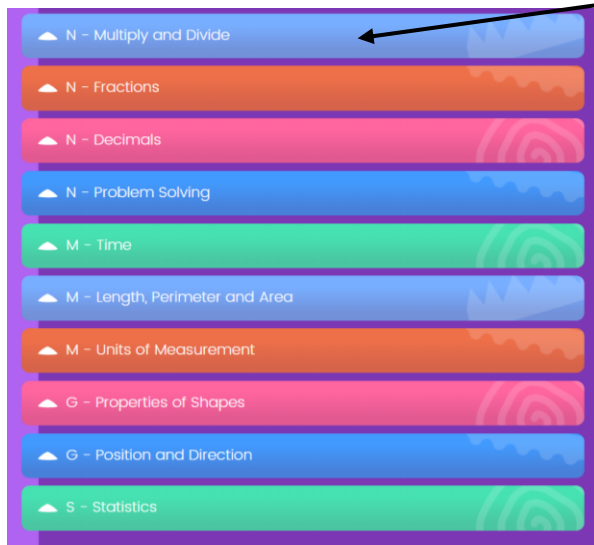

Mathletics

Mathletics time guys, we are going to the topic “Multiply and Divide”, this has several activities for you to work through.

Once you have finished all the activities, you can take the tests.

Don't forget that you can do them as many times as you want, the more practice, the better you get.

Once you have logged in, go to “Multiply and Divide” tab and continue working through the activities. Then complete the tests.

Now let's have some fun!

Time to show your family your dance moves, click below and get ready to dance

<https://app.gonoodle.com/activities/turn-up-the-bass?s=Discover&t=Randomizer&x=1&y=4&mft=single%20activity>

Hope your looking forward to your scavenger hunt this afternoon

Have a great weekend.
